Ytforum is Scandinavia's leading trade magazine about finishing and corrosion protection and has delivered news and articles to their readers for over 40 years. The magazine is read by professionals in paint, powdercoating, electroplating and hot dip galvanizing industry, but also by purchasers and engineers.

### Supplier directory

The supplier directory shows who does what in the industry and is published in each issue of Ytforum as well as on the web. The supplier directory costs SEK 280 per text line and year, and the Product Register SEK 400 per category and year. Participation is charged annually. Advertising continues until cancellation is made by the customer.
